“*Hope as a Resurrection People*” by Joni Cisowski

Hope as a Resurrection People intends to help children build trust in Jesus to bring comfort and support as they find courageous hope in the face of uncertainty. Through each session, children will develop their understanding of hope by reflecting on important people, communities, places, activities, personal goals, and desires for the future. Then, they will look for ways to build communal hope to be the change our world needs today.

There will be two CHILDREN’S COORDINATORS working with our children, one is a former elementary school teacher. We look forward to an entertaining, fun, learning event for the children. They will bring their sleeping bags and “camp” out in their parent(s), grandparents’ single occupancy room.
